60th Reunion

Plans for our 60th Reunion on August 22, 2020 at the Seattle Yacht Club were coming along very well. You might remember the “Save The Date” announcement sent out in January 2020?

To hold the Reunion on that date, the State would have to be well into Phase 4 of the time line set by the Governor allowing gatherings larger than 50 people. Implementation of Phase 4 by August is now tentative, at best.

Based on the Reunion Committee’s concern for the well-being of all of our class members and to make a reasonable and conservative decision given the unpredictability of the COVID-19 pandemic, the Committee, by email, has reached an agreement to put our 60th Reunion on **hold**.

As things improve and as soon as the Reunion Committee can meet again in person, it has been suggested we consider planning a combination 60th Reunion\80th Birthday Party sometime in the first half of 2021. Our Reunions and group Birthday parties have been great fun on their own. A combined get-together as the Wrigley’s gum ads of 1950’s and 1960’s put it, we’ll have “**DOUBLE THE FUN**”.
